

Spedeworth Motorsports are delighted to announce another major sponsorship deal! Mark Butler of Spedeworth has successfully negotiated a multi-year deal with long-standing supporters of short-oval racing, Kent Cams; that will see the turnstile bend at Foxhall Stadium, Ipswich renamed as the Kent Cams Bend.

Kent Cams have a long standing relationship with short-oval motorsport, particularly with the historic venue at Foxhall Stadium, and Spedeworth Motorsports are delighted to announce this deal which will see this relationship continue to flourish for years to come. Race-goers will instantly recognise the Kent Cams Bend following the installation of major signage to emphasise the brand that has over 30 years of experience in the industry. This signage will ensure that Kent Cams receive a great deal of coverage in oval-racing publications as well as on Sky Sports as part of the 2012 C.P. Dynes National Hot Rod Championship of the World – and any subsequent TV coverage.

This deal represents a significant investment from Kent Cams and we would like to thank them, and all of our other Spedeworth Partners for their continued support.
